One of the most recent verified miracles was on April 28th 2001, in Trivandrum, India. Fr. Johnson Karoor was saying Mass when he saw three dots on the consecrated host. He stopped reciting the prayers and stared at the Eucharist. He then invited those at Mass to look, and they also saw the dots. He asked the faithful to remain in prayer, and he placed the Holy Eucharist in the tabernacle. On May 5, Fr Karoor again noticed an image on the host. This time a human face. During the adoration, the figure became more clear. Fr.Karoor later explained: "I didn't have the strength to speak anything to the faithful.

I stood aside for some time. I couldn't control my tears. We had the practice of reading Scripture and reflecting on it during adoration. The passage that I got that day as I opened the Bible was John 20:24-29, Jesus appearing to St. Thomas and asking him to see his wounds." Fr Karoor called a photographer to take photos. They can be seen on the internet at [http://www. Freerepublic.com/focus/f-religion/988409/posts](http://www.freerepublic.com/focus/f-religion/988409/posts).

Day and night, Jesus dwells in the Blessed Sacrament because of His infinite love for you and me!

"Behold I will be with you always even to the end of the world." Because "I have loved you with an everlasting love, and constant is My affection for you." (Mt. 28:20; Jer 31:3)
